

Medicaid Compliance Program Vitality Caregivers, LLC is committed to full compliance with Medicaid rules and billing practices. Staff are trained to document services accurately and report any suspected fraud or abuse.

- **HIPAA and Confidentiality**

CT DPH & DSS Regulations Overview Our agency operates under Connecticut Department of Public Health (DPH) and Department of Social Services (DSS) standards. Employees must comply with all applicable regulations and participate in the required training.

Documentation Standards Accurate, timely documentation is essential to client safety and billing integrity. All employees must complete daily activity logs and report any incidents or concerns immediately.
